SNPCA
SOUTH NUTANA PARK
Fall 2026

A message from the SNPCA President

Hi South Nutana Park!

Welcome to our latest newsletter. Fall has arrived and winter is coming! That means it is time for our annual Fall Supper and AGM. Join us for some delicious food and enjoy some time spent with neighbours. We'll have some fun activities for the little ones too. If you're interested in volunteering, we have a couple of positions open. If you're looking to keep busy this winter, check out our programming, hit the ski trails in the park, or lace up the skates for some ODR action! Check our website www.snpca.ca and our facebook page for updates, registration links, and to RSVP for our fall supper.

Stay Warm
Aric
SNPCA President

Rink Info:

Hey ODR fans! Early snow had the rink crew excited to get started flooding, but now the weather is warmer. Oh well, whenever it gets cold we'll get a start on it. Last year was a pretty typical season, with a few weather ups and downs. We could always use extra help maintaining the rink. If you're able to help please email snpca.rink@gmail.com

Keep your head up and stick on the ice

Registration
Late December

Winter Carnival
Watch for Updates

MESSAGE FROM COUNCILLOR

BEV DUBOIS

As we move into the winter season, I would like to share a few positive updates for residents of South Nutana Park. One of the most welcome improvements in our neighborhood is the installation of the
new traffic lights at Preston Avenue and Wilson Crescent. This intersection is a key gateway for residents, students, pedestrians, cyclists, and commuters. The new signalswill help improve safety, enhance traffic flow, and make it easier for everyone to move through the area with greater confidence.

South Nutana Park continues to be a vibrant and growing community, and it is always encouraging to see investments that make our streets safer and more accessible.These improvements are the result of ongoing planning and advocacy to address the transportation needs of our neighborhood and the surrounding area.

I would also like to thank the volunteers of the South Nutana Park Community Association for the countless hours they dedicate to building community spirit through programs, events, and recreation opportunities. Your efforts help make South Nutana
Park such a welcoming place to live.

Please plan to attend the Annual General Meeting of the SNPCA on November 20.
Unfortunately, I will not be able to attend as I will be attending the City of Saskatoon
Annual Long Term Service Awards. I encourage you to all attend!

As always, I appreciate hearing from residents in Ward 9 and learning about the issues, concerns and opportunities that matter most to you. There are many ways to reach me, please reach out! I wish everyone a safe and enjoyable season ahead.

Councillor Bev Dubois
Ward 9
